Lausanne, 4 June 2013

Dear Mr Webb,

Following the positive vote by the General Assembly on 31 May 2013 in Saint Petersburg, I would like to congratulate the International Cheer Union (ICU) on becoming the 109th Member of SportAccord. In accordance with article 6.a) of the SportAccord statutes, the ICU is recognised as the world governing body of Cheer and the authority on all matters related to this sport.

We hope that you will become more familiar with the many benefits and services offered to Members in the coming months.

Please do not hesitate to contact us should you require further information. We look forward to learning more about the particular needs of your organisation, which we hope will be the first step towards building a strong relationship with you.

Yours sincerely,

Vincent Gaillard
