ICU National Federations

Dear President,

As you are aware, the International Cheer Union, ICU, has been in discussions with the World DanceSport Federation, WDSF, for several years regarding governance for cheerleading at the international level.

I am pleased to inform you that we have reached an agreement whereby the ICU has been confirmed by all parties as the world governing authority for cheerleading.

We appreciate the constructive efforts of WDSF President Lukas Hinder and his staff who helped ensure that this matter was resolved in a collaborative and amicable way. The clarity provided by this agreement allows both the WDSF and the ICU - as well as their national federations - to move forward to develop and advance their respective sports for millions of young athletes around the world.

Sincerely yours,
